SUBJECT: URUGUAY DEMARCHED ON NORTH KOREAN MISSILE LAUNCHES

REF: STATE 111144

On July 6, Polcouns provided reftel talking points and the White House statement to the MFA's A/Director of Multilateral Affairs Liliana Silveira. She accepted them attentively, but did not offer any substantive response other than that the GOU had not yet issued any public statement on the missile launches. Embassy notes that most media reaction here towards the North Korean missile launches has been negative. Embassy will relay to the Department any additional developments or reactions as appropriate.
